

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

WILSON LEBRANDON WHITE,
Plaintiff,
v.
DECKER,
Defendant.

No. 2:24-cv-1685-TLN-CKD P

ORDER

The court recently set a schedule for this case and inquired as to the parties' positions on the usefulness of scheduling a settlement conference. Both parties have indicated that scheduling a settlement conference would not be useful at this time.

Accordingly, IT IS ORDERED that no settlement conference will be set now but the court may require a settlement conference before any trial in this matter. At any time, the parties may jointly request that a settlement conference be scheduled with another magistrate judge.
